# KONGU ENGINEERING COLLEGE

PERUNDURAI ERODE - 638 060

## INTRODUCTION

Kongu Engineering College, a premier technical institution in the country aims at achieving academic excellence in engineering education. Over the past 34 years, the institution with its state-of-the art infrastructural facilities and excellent academic records has emerged as a centre of excellence. The college offers quality education by preparing the students to meet the ever-changing and challenging workplace environment. The curriculum it offers combines theory and practice.

The word 'Kongu' refers to a region of the southern state of India and the term 'Kongu Vellalar' specially means the agricultural community, predominantly in the west of Tamilnadu. This community was deprived of educational facility in those days. To achieve technical excellence in their rural areas, 41 philanthropists from different walks of life who realised the need for technical education for their region's economic strides formed collectively a Trust called '*The Kongu Vellalar Institute of Technology Trust*'. They tried to promote and develop equality of opportunity for the rich and the poor. This noble Trust has taken the institute to great heights since its inception in 1983.

The college is spread over 166.997 acres with lush green cover which makes the campus picturesque and conducive for studies.

# Intellectual Property Rights [IPR] Policy

## Policy Statement:

Kongu Engineering College is dedicated to excel in teaching and research. Its activities, centered on students and faculty, are based on knowledge and intellectual exercise. The College recognizes that its academic activities kindle the enormous human intellect available with faculty, students and research scholars in the campus which can be harnessed to have commercial value and in turn have direct and indirect impact on the society at large by way of registering with IPR agency and getting Patent Grants. The IPR policy enables the institute to discharge its primary responsibility of fostering, stimulating and encouraging creative activities in the area of Engineering and Technology.

## Guiding Principles

Toward the policy, the College is committed to:

- Promote academic freedom, to develop an environment for research, development, the discovery of knowledge and innovation, compatible with the educational mission of the institute.
- Positively motivate the faculty, students and research scholars to make their projects / models / research findings suitable for applying for Patents.
- Assist financially those who apply for Patents and obtain the Grant of the same.
- Transfer the Royalty to the inventors with mutual legal agreements.
- Strive to integrate the process with the academic activities in an ethical and transparent manner to demonstrate its interest for sustainable development and growth of IPR culture.
- Organize periodic training and awareness programmes to promote and nurture the IPR culture.
- Review the IPR progress periodically and strive for continual improvement.
- Maintaining appropriate records from application stage to grant stage and also thereafter

**TECHNOLOGY BUSINESS INCUBATOR (TBI) @ KONGU ENGG. COLLEGE  
(A registered Society)**

**Manager : Mr. P.S. Kannan ME M(Engg)Sc**

Kongu Engineering College (KEC), has established a Technology Business Incubator (TBI) in the KEC Campus at a total project outlay of Rs. 4.1 Crore - which includes Rs.15 lakh towards Incubation Fund - with the support and grant-in-aid from the National Science and Technology Entrepreneurship Development Board of Department of Science and Technology (DST), Government of India (GoI). Additionally, the Technology Development Board of DST/GoI has provided a grant of Rs. 1 Crore and NSTEDB has provided a grant of Rs.2 Crore to TBI towards Seed Support. Also, Ministry of Micro, Small and Medium Enterprises (MSME)/GoI has sanctioned Rs.66.28 lakh to TBI@KEC for implementation of the Scheme "Support for Entrepreneurial and Managerial Development of SMEs through Incubators". NSTEDB/DST/GoI has sanctioned another grant of Rs.7 crore under NIDHI-PRAYAS to TBI@KEC for supporting innovators to convert their ideas into a prototype.

The motto of the Incubator is "Concept to Commercialization" and the prime objective is to nurture start ups in the emerging Electronics and ICT related technology areas with particular reference to Embedded Systems, Digital Signal Processing, Electronic Card Design, Assembly, Testing & Repair, Multimedia and Wireless Technology. Of late, TBI@KEC is diversifying into other domains as well. Other services of TBI include training, project facilitation, consultancy and repair services in the focus areas.

The TBI @ KEC, first of its kind in India, provides a congenial atmosphere with state-of-the-art infrastructural facilities – hardware as well as software – in the above areas, assistance in business planning and development, mentoring, packaging of concept, on campus accommodation, etc., so that the entrepreneur-aspirants including SMEs can convert their innovative ideas into commercial products and services.

Students and faculty of KEC are directly involved in the product development activities resulting in a win-win situation. Seventy seven products developed at TBI@KEC have already been launched in the market including the overseas market.

These products find applications in varied sectors like agriculture, healthcare, industry, finance, power, textiles, education, etc.

Value added hands-on training and project facilitation, workshops, etc. are organized for students, faculty, engineers and entrepreneurs by TBI periodically. Around 7000 persons have got benefit so far from these programmes.

In recognition of contribution and performance of TBI@KEC, DST/GoI conferred on TBI@KEC the National Award for Best Technology Business Incubator for the year 2012. The award was presented by Shri.Pranab Mukherjee, President of India on Technology Day 2013 in New Delhi on 11th May, 2013.

The TBI also provides seed fund support (TDB scheme) to the deserving incubatees upto Rs.25 lakh per project as soft loan under TDB scheme and upto Rs.50 lakh per project under NSTEDB scheme. Under the MSME scheme, the TBI provides a grant of Rs.6.25 lakh per entrepreneur. NIDHI-PRAYAS scheme is specifically to support young innovators to turn their ideas into prototype with grant upto Rs.10 lakh per idea.

Financial assistance is provided to deserving projects of students and faculty also.

A number of Entrepreneurs from Perundurai, Erode, Coimbatore, Chennai, Bangalore, etc. are engaged in product development activities in the TBI.

### **KONGU FM COMMUNITY RADIO SERVICE (90.4 MHz) (CRS/FM)**

**Co-ordinator : Dr. S.Maheswaran ME PhD**

KONGU CRS has been established to serve the cause of the people in the coverage area. The programmes focus on education, health, environment, agriculture, rural and community development. The format, presentation, language and subject aim to reflect and exude the local flavour and fragrance. At least 50% of the programmes are from the local community members.

KONGU CRS has undertaken and successfully completed projects on "Science for Women's Health and Nutrition" and "Understanding Planet Earth" with the support of RVPSP division of DST and a TB awareness programme sponsored by 'AKSHYA' a service organisation, Chennai. Kongu Community Radio received the Best Campus Community Radio Award in 2008.

### **INDUSTRY INSTITUTE PARTNERSHIP CELL (IIPC)**

**Chief Co-ordinator : Dr.P.Sathiamurthi ME PhD**

The Industry Institute Partnership Cell (IIPC) activity (through which the academic activities of the Institute are synergized with the Industries' requirement) is a well established activity of Kongu Engineering College. Since its inception in the college in the year 2002, with Grants in Aid in the year 2002, 2003 and 2006, from AICTE New Delhi, the Cell has grown and is presently fully self-supporting and provides various services to the industries. KEC IIPC was awarded 'A' Excellent in the second year of its operation itself by the AICTE review team.

The IIPC is managed by a Chief Coordinator (CCO) appointed by the Principal. He is assisted by the individual department coordinators nominated by the respective departmental heads. The departments are given revenue targets in the beginning of the academic year in a meeting involving the Principal, the Senior Professors and the Departmental Coordinators. The performance of the cell is continuously monitored in the bimonthly review meetings of the CCO with the other coordinators and also in the bi-monthly HOD-s' meeting with Principal.

IIP Cell is presently undertaking 1) Testing assignments 2) Training activities and 3) Consultancy and Energy auditing activities. The testing activities are directly handled by the departments and consolidated monthly activity lists and revenue reports are submitted to the Cell. The other activities are undertaken with prior scrutiny by the CCO and after the approval of the Principal. The IIP Cell facilitates collaborative R&D activities with Industries by various departments. The Cell supports 'Vacation Training' in industries for selected faculty members. It is also enabling the 'In-Plant-Training' requirements, 'Industry visits' as well as undertaking Internship and the Industry based project work for the students. The Cell organizes participation in Industry exhibitions like Intec, Ero-Intec, TAFE etc. which provides opportunity to students who have done innovative projects to display them in these exhibitions providing them exposure to industries. It maintains rapport with Industry organizations like CII, CODISSIA, EEDISSIA, CPC etc. to have continuous interaction with Industries.

All the revenues (through the above mentioned testing, training and consultancy activities) are credited into a separate IIPC Grant-in Aid account. The participating faculty members in these activities receive their share of the net revenue depending on whether the work is undertaken by making use of college facilities or otherwise. The cumulative revenue earned by the IIPC activities from 2002 is more than Rs. 4 crores.

Since the college gives maximum importance Industry Linkages, the College Management awards the best performing department in the IIPC activities since 2015. Competition Success Review, in July 2018 issue, has ranked Kongu Engineering College at 9th position among all the Engineering colleges of India, including the premier institutions like IITs, NITs and other prestigious institutes and 10th position for the Placement / Industry Interface / USP Parameters. Considering the faculty, research, consultancy, EDP and other programmes score in 12th place.

The IIP Cell of the college takes part in the various National level surveys conducted by AICTE-CII, SEED, Chennai etc. The EEE department of Kongu Engineering College bagged the winners' award for the year 2013 from AICTE-CII. All the departments of the college have been classified under Platinum category (with in the top 10%) by this survey for the years 2013, 2014, 2015. The College has also received the award for 'Sustainable Institute Industry Partnership' -- SIIP 2014, 2015 as well as SIIP 2016 from SEED.

### ***Automatic Solar Radiation Monitoring Station (ASRMS)***

***Faculty In charge: Dr. P. Selvakumar MTech PhD***

An Automatic Weather Station (AWS) has been established in Kongu Engineering College campus through ISRO, Bangalore under PRWAONAM programme with the station code AF83EC88 and serial no. ISRO125. It periodically measures various meteorological parameters such as wind direction, wind speed, sunshine, relative humidity, atmospheric pressure, temperature and rainfall every half an hour and records it. AWS has its own automatic power generation and storage system to work uninterrupted.

### ***IQAC & ISO***

***Coordinator : Dr. A. Sivakumar ME PhD FIE***

IQAC and ISO Cell mainly looks after developing and maintaining quality policy, procedure manuals for the college system and with an objective of achieving international quality standards. Regular internal audit will be conducted across the departments to ensure quality in academic and other related areas. The Cell also interacts with the certification body for getting ISO 9001 certificate for the institution.

### ***IETE Erode Centre (C/o) Kongu Engineering College***

***Secretary : Dr. D. Malathi ME PhD***

***Treasurer : Dr. S. Sasikala ME PhD***

The Institution of Electronics and Telecommunication Engineers (IETE), founded in 1953, is India's leading recognized professional society devoted to the advancement of Science and Technology of Electronics, Telecommunication & IT. The IETE is the National Apex Professional body of Electronics and Telecommunication, Computer Science and IT Professionals. It serves more than 1, 25,000 members (including Corporate, Student and ISF members) through various 64 Centers, spread all over India and abroad. Government of India has recognized IETE as a Scientific and Industrial

Research Organization (SIRO) and also notified as an educational Institution of national eminence.

The objectives of IETE focus on advancing electro-technology. The IETE conducts and sponsors technical meetings, conferences, symposia, and exhibitions all over India, publishes technical journals and provides continuing education as well as career advancement opportunities to its members. The IETE conducts both the Graduateship (AMETE) Examination in Electronics and Telecommunication Engineering, Computer Science & Engineering and Information Technology streams and Diploma (DIPIETE) Examination in Electronics & Telecommunication and Computer Science & Engineering streams. The IETE also conducts postgraduate level course ALCCS (Advanced Level Course in Computer Science) which is also recognized by the Ministry of HRD, Government of India, as equivalent to M Tech in Computer Science.

Initially, IETE Salem Sub centre was inaugurated in 2007 with its operations at Sona College of Technology, Salem. Later it was shifted to Kongu Engineering College in July, 2013 and upgraded as IETE Erode Centre since August, 2015 onwards.

### ***ALUMNI ASSOCIATION***

***Secretary: Ms. S. Gomathi ME***

***Joint Secretaries : Dr. T.Pradeep ME PhD, Dr. R. Naveen Kumar ME PhD***

KEC Alumni Association acts as a forum for exchange of information among its members and as fine link between the old students and college. Various local chapters of the association in different parts of the world are functioning to establish, promote and support the alumni activity. Every year KEC organizes 'Decade Alumni Meet' and 'Silver Jubilee Alumni Meet' for the alumni who graduated from KEC 10 years and 25 years before respectively. The alumni are frequently invited in the campus to interact with themselves, the Management, the Principal, Faculty, Staff and Students.

### ***STAFF CLUB***

***Secretary: Dr. K. Tamilarasan MSc MPhil PhD***

KEC Staff Club is established for the welfare and benefit of all the employees of the college since the inception. Every employee of the institution is the member of the club. The Staff Club periodically conducts Executive Members Meeting and discuss regarding the benefit and betterment of the staff. It extends its support by providing Health benefits, Death benefits, Retirement benefits and also organizes annual excursion program for the faculty and staff.

### ***IGNOU Study Centre***

***Assistant Co ordinator : Dr.P.N. Palanisamy MSc PhD***

Indira Gandhi National Open University (IGNOU), New Delhi, has promoted Kongu Engineering College from January 2000 into one of the study centres to conduct programmes viz CIC, BCA, MCA, MSc (DFSM) and MBA. At present, 72 students are pursuing their studies

### ***CENTRAL FACILITIES***

- ✓ Kongu Convention Centre, a fully air-conditioned auditorium with all modern audio systems and infrastructural facilities is the largest in the country with a seating capacity of 4500.
- ✓ Extensive computing facilities with more than 2700 terminals and wi-fi connectivity with 450 Mbps leased line

- ✓ C.D. Memorial Library with 76,240 volumes, 334 hardcopy journals, 26,968 online resources on different titles, a digital library with 7535 CD ROMs and 540 Audio and Video Cassettes.
- ✓ Maharaja Auditorium with a seating capacity of 630
- ✓ Physical Education Department with an 8 acre playground, an Indoor Stadium and a 16 station multi-gym (boys) and 6 station multi-gym (girls)

### **SUPPORT SERVICES**

- ✓ On Campus Healthcare Centre with a residential doctor and nurses and also 2 ambulances are available round the clock to handle emergencies
- ✓ Fully computerized and air conditioned bank (Karur Vysya Bank) with 4 ATMs
- ✓ On Campus Post office
- ✓ Food Court
- ✓ An extensive Transport facility with a fleet of 83 buses and other vehicles
- ✓ Uninterrupted Power supply with 3125 KVA captive power generator.
- ✓ Student Amenity Centre for all basic provisions and stationery.

### **ACCOMMODATION FACILITIES**

- ✓ Guest House
- ✓ Alumni Guest House
- ✓ Staff Quarters
- ✓ Student Hostels

### **STUDENT CENTRIC ACTIVITIES**

#### **1) College Student Council**

The College Students Council is functioning in our institution with the primary aim of improving and enhancing the standard of the academic environment in the campus. The Council has a male and a female student from each department and one student from each branch of the first year B.E./B.Tech. programmes as members. The Council seeks to (1) Address the grievances of the students, (2) Consider the suggestions from students and (3) Plan for further improvements.

#### **2) Student Associations**

Department Association functions and activities are conducted by the students of respective departments with the guidance from the staff coordinators. Association activities generally involve the conduct of seminars, Technical Symposiums, Workshops, Invited Lectures and Career Guidance programmes throughout the academic year.

**STUDENT DISCIPLINARY REQUIREMENTS**

**a) Requirements For Examination and Attendance**

The Examinations shall be conducted both in theory and practical. A candidate will be permitted to appear for the End Semester Examination for any semester, only if

1. He/She secures not less than 80% of attendance in the number of working days during that semester.
2. He/She earns a progress certificate from the Head of the Department of having satisfactorily completed the course of study in the subject as required and prescribed by the regulations.
3. His/Her conduct has been satisfactory.

**b) Rules of Conduct and Discipline**

1. The conduct of each student should be satisfactory.
2. Students should wear clean and simple dress.
3. They should be punctual to classes and attend to their work with devotion. A student cannot leave the class room at his own will or enter the class in session as he/she pleases.
4. Damage of any kind, done to the College property will be viewed seriously. The cost of the same will be recovered from the erring students. Students should maintain the College property as their own. This refers to the maintenance of college buildings, furniture, equipment, electrical fittings, library books etc.
5. Tampering with electrical fittings is not only dangerous but also open to appropriate action.
6. Students should acquaint themselves with the notifications put up on the Notice - Board.
7. Malpractice and misbehavior will be viewed seriously
8. No meeting shall be organized without getting prior written permission from the Principal.
9. Day-scholars are not allowed to enter the Hostel without prior permission from the Principal.
10. Breach of any of the above rules will lead to disciplinary action resulting in suspension or expulsion of the student.
11. Usage of Cell Phone by the students is strictly banned inside the college campus.

**c) Ragging Prohibited as per TamilNadu Government Gazette**

The following Act of the Tamil Nadu Legislative Assembly received the assent of the Governor on 14th February 1997 and is hereby published for general information.

### **ACT No. 7 of 1997**

An Act to prohibit ragging in educational institutions in the State of Tamilnadu.
