Applicant

Application form completed in all aspects is to be sent to:

Dr. N.KASTHURI
Professor
Department of ECE
Kongu Engineering College
(Autonomous)
Perundurai, Erode - 638060
Tamilnadu

ABOUT THE LOCATION

The college is situated at Perundurai on the National highway (NH 47) about 80 km from Coimbatore and 20 km from Erode. It is well connected by road and rail.

ABOUT THE COLLEGE

Kongu Engineering College (KEC) was established in the year 1984. Approved by AICTE, New Delhi and affiliated to Anna University, Coimbatore. The institution has completed 28 years of dedicated and excellent service in the field of technical education. The Institution offers 13 UG, 18 PG and 16 Research programme in Engineering, Applied Sciences and Management branches. The Institution is one among the best self financing engineering colleges imparting high quality technical

education in Tamilnadu and is rated 87th among all Engineering colleges in India. The Institution has got NBA accreditation for all UG programme and is also ISO certified.

ABOUT THE DEPARTMENT

The Electronics and Communication Engineering department occupies a prominent place in the annals of its academic history. The department has been consistently producing illustrious engineering graduates of high calibre who occupy prestigious positions in the academic and industrial fields. The specialization of the faculty includes Telecommunication System Engineering, Computer Networks, VLSI, Bio-Medical Engineering, Digital Signal Processing, Microwave Systems, etc. The department has excellent laboratory facilities in the areas like Networking, Embedded Systems Microprocessors, Electronics, Communication, VLSI, Free Scale Processors, Digital Signal Processing, Microwave, RF, Multimedia, Fiber Optic Communication and Computer Centre with latest software. The department offers four year UG programme in ECE and two year PG programme in VLSI Design, Communication Systems and Embedded Systems.

ABOUT THE PROGRAMME

To provide an opportunity to get hands on experience on image processing techniques using MATLAB

This workshop will provide a forum for researchers and project designers to share their knowledge and improve research oriented activities in the fields of Medical image fundamentals, image enhancement, transforms, classification and segmentation.

PROGRAMME CONTENT

The main aim of the workshop is to provide the participants an in depth knowledge about.

- Fundamentals of MATLAB and Digital Image Processing
- Image Enhancement in Spatial and Frequency Domain & Restoration
- Feature Extraction Techniques(Texture,Shape,Colour)
- Image Segmentation and Classification techniques
- Image Representation and Recognition
- Medical image processing
- Research Issues and Thrust Areas in Image Processing

RESOURCE PERSONS

Sessions will be handled by experts from Industry and reputed institutions

BOARDING AND LODGING

Boarding and lodging if required, will be provided to the participants in the college campus on chargeable basis .

REGISTRATION FEE DETAILS:

Registration fee :1000/-(plus 18% tax)

DD to be drawn in favor of “*IIPC Cell Grant in Aid A/C*” Payable at Perundurai (or) Erode

HOW TO APPLY

The applicants should send their applications in the specified format to reach us on or before 22.08.2019. If selected, they should confirm their participation as per schedule below.

SCHEDULED DATES

Last date for receipt of applications : 22.08.2019
Intimation of selection : 23.08.2019
Confirmation by participants : 24.08.2019
