

Memorandum of Understanding with TCS

Kongu Engineering College (KEC), Perundurai, Erode has entered into a Memorandum of Understanding (MoU) with Tata Consultancy Services (TCS) on 1st November 2014 (Saturday) in the areas of Learning Management and Virtual Community. Thiru. P.C. Palaniswamy, Secretary, Kongu Vellalar Institute of Technology Trust (KVITT) signed the MoU on behalf of Kongu Engineering College in presence of the Principal, Prof. S. Kuppaswami, senior professors of KEC and Mr. Yohan Vasanth Subbiah, the representative of TCS.

The objective of the MoU is to build an effective platform for knowledge creation and sharing by leveraging an innovative service model provided by TCS called the *iON*. This service model uses emerging technologies like mobile cloud computing and virtualization. It is expected that the tie-up between KEC and TCS will further enhance the effectiveness of Teaching-Learning process, research, contribution to industry and society by synergizing the expertise of KEC and TCS
