

Welcome to First year BE/BTech, BSc/MSc students to the Campus

Hearty welcome to First year students of BE / BTech / BSc / MSc degree programs to the Campus.

Follow safe practice to protect you from COVID. If you have completed 18 years of age, complete atleast one dose of vaccination before reporting to the College; If you are less than 18 years, take an RT-PCR test (within 3 days before coming to College).

If you are hosteller, you may report preferably on the previous day so that you take possession of room and settle down.

If you are day scholar, follow the bus routes for your location. Bus routes will be circulated separately.

Wish you a happy stay in the campus. Wish you a very successful academic career at Kongu.
