

Silver Jubilee Alumni Meet 2023 at Kongu Engineering College, Perundurai.

Alumni association of Kongu Engineering College (KEC) is organizing Alumni meet every year to promote alumni activities. In this connection, Silver Jubilee alumni meet for the 1998 passed out batch was organized on 15-07-2023. Alumni of the College have been working in various higher positions in different parts of the world. They are also positioned in top government departments like IPS and IAS Officers. Some are branded as successful entrepreneurs. Nearly 150 Alumni of 1998 batch with family members were present for the meet. During the meet, alumni members graciously accepted to contribute to the institution in terms of placement, internship, mentorship, BoS member for framing curriculum and syllabi etc. The key points of discussion were to enhance outcome-based education and to bridge the gap between industry need and the institution. Mementos were given to the alumni as a token of gratitude. Thiru.A.K.Ilango, Correspondent, KEC, Patron members of Kongu Vellalar Institute of Technology Trust, Dr.V.Balusamy, Principal, KEC, Chief Coordinators, HoDs of various departments, members of faculty, and staff of KEC graced the occasion.
