Smart India Hackathon (SIH) 2022, a Ministry of Education's Innovation Cell (MIC) driven initiative for inducing young minds to solve problems faced in day-to-day life. In this regard, 75 institutions all over India have been announced as Nodal centres to conduct The Grand Finale. Kongu Engineering College, Perundurai, Erode, has been selected as one among them, to host the software category problem statements provided by The National Council of Educational Research and Training (NCERT) & Department of School Education and Literacy (DOSEL). 23 teams from various institutions across India, will be competing under 6 different problem statements. The Hackathon is to be held on 25th & 26th August 2022. A cash prize of Rupees One Lakh will be awarded to the winners under each problem statement.
